

## RESEARCH FUNDING OPPORTUNITY AT LACAWAC SANCTUARY

R. E. Moeller Research Fellow Awards for  
Faculty, Post-docs, and Graduate Students

---

### UP TO \$5,000 IN FUNDING AVAILABLE

Lacawac Sanctuary Biological Field Station is a site for field-based ecological and environmental science research located in the Pocono region of Northeastern Pennsylvania. Habitats and resources available at Lacawac include:

- Lake Lacawac, a pristine glacial lake within a protected watershed
- Permanent and seasonal ponds, ephemeral streams, and vernal pools
- Northern boreal bog habitat
- Experimental deer enclosure areas
- Mixed hardwood and hemlock eastern temperate forests
- Long-term lake monitoring and weather station data
- Analytical laboratory
- 3-season lodging

**Graduate students, post docs, and faculty conducting research incorporating Lacawac's natural resources are eligible for funding.** Visit our [website](#) for more information and to apply. Applications are accepted on a rolling cycle. **Review of 2023 applications will begin on May 1<sup>st</sup>, 2023.** Direct questions to Beth Norman, Director of Science and Research ([beth.norman@lacawac.org](mailto:beth.norman@lacawac.org), 570-689-9494)
