Coach's Corner

First and foremost, I want to thank all of the parents who attended our competitions and also want to thank the families that hosted our riders during the Briarwood weekends. Your continued support means so much to our riders and also to me.

Many hours of dedicated practice have really paid off. I am so proud of our accomplishments and I'm eagerly awaiting the start of next year's show season. Our successes in the past are a reflection of better things to come.

Fundraisers

This year we raised money through two successful fundraisers. First semester we sold \$1,500 worth of Otis Spunkmeyer cookie dough, and second semester we raised \$400 by selling Pura Vida bracelets. Also, a BIG thank you to alumni, friends, and family who donated \$1,800 in support of our riders!

From the Captain

This semester as Captain has been one of the most rewarding experiences during my time at Dickinson thus far. With a great group of members, we were able to accomplish many things including a second large fundraiser, a newly modified constitution, a completely redone

website, and we had some great shows at Wilson College and Briarwood Farm in New Jersey. We're growing and becoming a more legitimate club sport on campus, and I couldn't be happier with how well everyone has worked together this semester. Being Captain is a hard job given the responsibility, but the club team this semester was fantastic and I can't wait to see what the future holds. Thank you to our alumni, friends, and family members who donated - your contribution helped get our fundraisers started and we couldn't have done it without all of you.
