Mr. Gilbert Malcolm  
Dickinson College  
Carlisle, Pa.

My dear Malcolm; - With my alum-ni dues I am enclosing a most interesting [indiscernible] for the College- a letter written just a hundred years ago by my old professor in Bible, Dr. Henry M. Harman, to his father, when Dr. Harman was a freshman in the college, or rather a sophomore. The letter was given me some years ago by a Presbyterian Minister who had acquired it [indiscernible] some family relationships to the Har-mans. He thought I would value it more than he, and I have really treasured it.

As you will observe, it reveals the old doctor's early interest in language + great literature.

I was a member of Dr. Harman's last Junior class- he teaching only Upper Classmen. He retired in June, 1896 and Bishop Richardson and my father John were among his graduates that year.

I would like Bishop Richard-son to see the old professor's letter when he comes for your com-mencement in June. The old paper looked quite disreputable, but Ms. Edwards has done the good job with Scotch Tape.

Yours for Old Dickinson,  
Richard N. Edwards
