Find application information at blogs.dickinson.edu/farm/jobs

**UNIQUE EMPLOYMENT
OPPORTUNITIES AVAILABLE FOR
SENIORS & RECENT GRADUATES!**

Apprenticeship Program

4 positions available

The Apprenticeship runs for 6 months (late-May until late-November) and presents recent graduates with a unique opportunity for **hands-on training in project leadership, team management, technical skills** within the context of an educational production farm.

TWO PROGRAM TRACKS OFFERED

Vegetable production focused
Livestock & bioenergy focused

Gain the skills, experiences, and knowledge needed to advance toward leadership roles whether on a production farm or within sustainable food systems initiatives.
