The image is a screenshot of a web browser displaying the Picasa Web Albums login page. The browser's address bar shows the URL https://www.google.com/accounts/ServiceLogin?hl=en_US&continue=https%3A%2F%2Fpicasaweb.google.com. The page features the Picasa logo and the text "Picasa Web Albums". A search bar with the placeholder "Search Photos" is visible. The main content area includes a large photo of a child in a yellow inflatable ring, with the text "Share photos with friends and family" and "or explore public photos" above it. To the right of the photo is a login form titled "Sign in with your Google Account". The form contains fields for "Email address" (with the example "pat@example.com") and "Password", a "Sign in" button, and a checkbox for "Stay signed in". Below the login form is a link "Can't access your account?". At the bottom of the page, there is a link "Don't have a Google account? Create an Account >".

The screenshot shows the Picasa Web Albums interface in a web browser. The browser's address bar shows the URL <https://picasa.google.com/home>. The page title is "Picasa Web Albums - Eli Blumenthal". The navigation bar includes links for "Home", "My Photos", "Explore", and "Upload". The "Home" page displays a "Get started with Picasa Web Albums" section, a "Recent Activity" section with the message "Nothing new yet from the people you are following. Try following some more people or check out our [Explore page](#) to find other people.", and a "Featured Photos" section with a grid of five images: a zebra, a red light trail, a person in a blue shirt, a person in a red shirt, and a sunset. On the right side, there is a user profile for "Eli Blumenthal" and a "New! in Picasa Web Albums" section with the heading "New & Improved Photo Uploader" and the text "We've improved the process, removed the 5-at-a-time limit and added video support! Try it now!". At the bottom, a status bar indicates "You are currently using 0 MB (0%) of your 1024 MB. Upgrade Storage" and provides links for "Terms", "Privacy Policy", "Developer", "Blog", and "Google Home".
